

MSB Woolton FC Club celebrate early success on the pitch as a 9 aside team

Evotech Sponsor MSB Woolton Dynamo's Football Team for Second Year

Evotech is delighted to sponsor Under 11s Football Team, MSB Woolton Dynamo's for a second season, after success on the pitch playing under 10s seven aside last season. Playing in the Merseyside & Halewood Junior Football League, which, like all sports, was marred by the Coronavirus pandemic last season, the team will once again carry the Evotech name.

The team finished league runners up for the second year in a row, even though much of the Season was cancelled due to the pandemic. The team are now playing 9 aside games and have their eye on the ball for more success this Season, which is being played on larger pitches behind closed doors. The team are training hard for the league matches which they play every weekend, whilst following the latest government advice and FA guidelines around Coronavirus, and to date they have played two matches and won both.

Evotech's sponsorship will be used to purchase a new away kit to add to last year's sponsored home kit, along with both home and away kits for the additional team members, and some new training equipment.

The team is one of 114 teams under the wing of MSB Woolton Football Club which has grown to be the largest grass-roots football club in the country, since it was founded in 1994.

We wish them the very best of luck for the season.
